Recipe Preparation & Weekly Ritual Steps

1. Mask 1: The Sidr Herbal Growth Mask

Preparation: In a glass jar, combine 2 tbsp Sidr powder, 1/2 tsp Rosemary oil, 1 tbsp Castor oil, and 2 tbsp Olive oil. Store at room temperature away from direct sunlight (valid for 1 week; single-use batch).

Application: Add warm water to the mixture and stir well until it reaches a smooth, paste-like consistency. Allow it to rest for 30 minutes to adjust to room temperature. Apply thoroughly to hair and scalp, leave on for 6 to 8 hours, then rinse using natural Sidr Shampoo.

Post-Care: Apply a few drops of Olive Oil to damp hair for moisture, then braid hair immediately.

2. Mask 2: The Protein & Moisture Mask

Preparation: Mix 1 Plain Yogurt and 1 Whole Egg (both at room temperature) until smooth.

Application: Apply 2 days after the Sidr Mask. Leave on hair for 3 hours once per week. Wash out using Sidr Shampoo, apply a touch of Olive Oil for moisture, and braid hair.

3. Mask 3: The Royal Henna Gloss

Preparation: Boil water with unsweetened black tea and 2 whole cloves. Strain into a large bowl, add 3 tbsp Henna powder, mix thoroughly, and cover with plastic wrap for 1 hour.

Application: Apply 2 days after the Protein Mask. Leave on hair for 8 to 10 hours. Rinse with water ONLY (no shampoo) and braid hair.

4. Mask 4: The Deep Scalp Oil Treatment

Preparation: Blend equal parts Pumpkin Seed Oil, Castor Oil, and a few drops of Rosemary Oil.

Application: Apply the day directly following the Henna treatment. Apply across roots and entire length. Massage scalp gently for 10 minutes, cover hair for 2 hours, then wash out with Sidr Shampoo. Moisturize with Olive Oil and braid.

Natural Sidr Shampoo Method

Shake 1 tbsp Sidr powder in a bottle of water until it creates a rich natural lather. Use this gentle mixture to cleanse hair without stripping natural oils.

Routine Guidance: Follow this weekly cycle consistently for a minimum of 30 days (3 months recommended for total transformation).
